erlebniswiese

learn by doing and experience joy

Inspired learning
for happier children

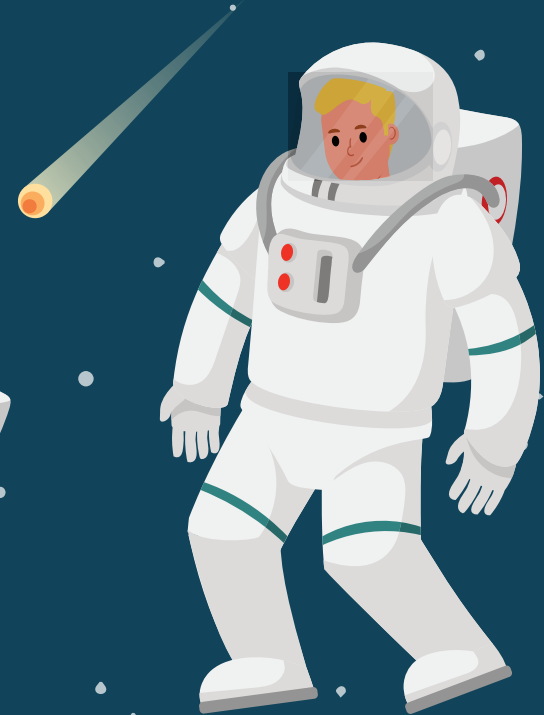

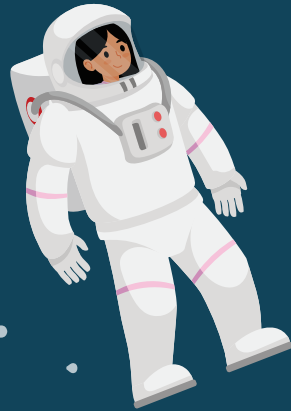

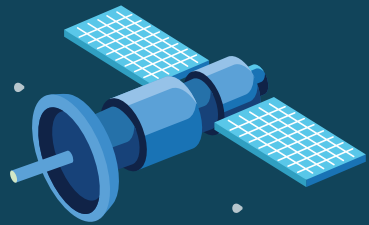

www.erlebniswiese.com

erlebniswiese designs and facilitates an eventful education.
erlebniswiese supports kindergartens and schools in an advisory
role and networks them with regional partners to develop
and implement lively learning structures.

Our Vision

BUILDING BRIDGES BETWEEN OLD AND NEW LEARNING

- Designing new learning paths
- Combining traditional learning with innovative approaches
- Promoting diversity in our educational landscape

PARTNERSHIP ON A PERSONAL LEVEL

- Careful selection of partners
- Security in the field of support
- Personal contact of the bridge builders to kindergartens and schools

GROWING AND LEARNING TOGETHER

- Support from foundations and sponsors
- Invitation to participate in innovative education
- Contribution to a lively community

LIVING LEARNING FOR A STRONGER SOCIETY

- Revitalization of regional educational structures
- Strengthening the community through development
- For a future full of knowledge, creativity and happiness through joy of learning.

CONNECTION FOR A HOLISTIC EDUCATION

- Development
- Support and development through bridge builder

INVESTING IN THE FUTURE OF OUR CHILDREN

- Opportunity to support educational initiatives
- Promotion of innovative educational concepts
- Together we take responsibility and shape our future
